Ages 9 & Above

July 13-15

Mon-Weds (10-12pm)

Princess Camp

Ages 3-5

July 13-15

Mon-Weds (10-12pm)

Why Summer Intensives?

The mention of summer break may bring to mind images of rest and relaxation, but taking the summer off from dancing may not be such a great idea. While even a couple of weeks without stretching can result in a loss of flexibility, several weeks away from the studio may cause you to lose strength and technique.

The summer can be a perfect time for a young dancer to immerse themselves into dance, creating the chance for great improvement in their skills. Classes tend to be small, making way for tremendous gains in progress. Intensives consist of a series of highly focused classes, intended to increase technique in a period of days. Some intensive workshops feature guest teachers and dancers, offering students a wonderful opportunity for growth. We have seen leaps and bounds be accomplished in a very short amount of time, and the more taken the better.

Please email our programs director with questions or concerns you may have.
